Right-of-Way Tree Permit

As per Cheyenne City Code a permit is required for any tree work in public places, including the public right-of-way.

Applicant Information: Property Owner Agent

Name: _____ Company: _____

Address: _____ City/Zip: _____

Phone: _____ Email: _____

Property Owner Info if Different from Above:

Name: _____ Phone: _____

Address: _____

Owner/Agent Statement of Consent

Property Owner Consent- I am the legal owner of record of the land specified in this application or am authorized and empowered to act as an agent on behalf of the owner of record on all matters relating to this application. I declare that the foregoing is true and correct and accept that false or inaccurate owner authorization may invalidate or delay action on this application. By submitting this application, you agree to this statement.

- A tree permit is nontransferable and must be kept on site when any work described in the permit is taking place. It is understood and agreed by the permittee that when any work is completed it shall constitute an acceptance of the permit general provisions
- Any person who violates the permit provisions will be deemed guilty of a misdemeanor, punishable pursuant to the general penalty provision of the city code.
